SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form.
Copies of the listed references are enclosed.

In view of the following facts, Applicant submits that **no fee should be required**.

However, please apply any charges or credits to Deposit Account No. 06-1050.

In an Office action dated February 5, 2007, the Examiner noted that copies of the following two documents were enclosed with a previous Information Disclosure Statement, but were not listed on the form 1449:

Applicant subsequently submitted a form 1449 listing those items of information. The Supplemental Information Disclosure Statement submitted at that time explained that:

As the Office action states that the items have been placed in the file of record, applicant is not submitting additional copies. However, applicant requests that the Examiner let the undersigned attorney know if additional copies are needed.

The Office action dated July 18, 2007 then stated as follows:

The information disclosure statement filed 5 June 2007 has been received.
However, the Examiner has been unable to clearly identify documents in the file of record or the parent case based on the document description of the submitted form PTO-1449. Since 37 C.F.R. 1.98(a)(2) requires a legible copy of each cited non-patent literature publication or that portion which caused it to be submitted,
